COLOURFUL DESIGNS INSPIRED BY EAST ANGLIA

2023 COLLECTION

GREETING CARDS AND POSTCARD SETS

WELCOME!

The Leaf Press is the studio name of surface pattern designer and papercut artist Suzy Dobson. I create colourful designs inspired by the countryside and coast that surround my studio in East Anglia. I have sold cards, and gifts with my designs on online worldwide since 2010 and had pattern designs published in various magazines.

I am continually developing new designs, so please get in touch if you have any questions or would like a bespoke design - I'd love to hear from you!
